

Youniek Edge

.....can provide custom tailored service packages that enable you to participate in the process as little or as much as your knowledge, time or interest allows.

Whether you just need a little guidance to get headed in the right direction or full project planning and facilitation, Youniek Edge can help design a consulting package that works for you.

Notice: The services provided by Youniek Edge do not replace the need for the services of a lawyer, accountant or similar professionals.

However, Youniek Edge can help reduce the cost of their services by assisting your organization in preparing the necessary documentation and information such professional may

At *Youniek Edge* we strive to :

- ▶ Promote successful entrepreneurial endeavors and aid local businesses with growth and success.
- ▶ Foster interest and understanding in the Internet by helping individuals and businesses to utilize their maximum potential.
- ▶ Set a precedent for quality, accountability and high standards of practice, both in the local business community and on the internet.
- ▶ Provide a way for Westman businesses to expand their current markets and enter new ones, both in the local area and online.

Plus we can offer the same services that are available to businesses... to communities, clubs and individuals.

***10% of the formula for
success is a great idea - 90%
is planning and hard work***
